To continue with existing ministries, we need to grow our income by: **(83,125)**

What we must do...

If each of our church family increased their pledge this year, we will be able to financially support our ministries, and optimistically, grow them. With growing gifts, PRCC will commit more resources for the care and education of our own faith community and outreach to the wider community. An increased gift of:

\$9.00 per week, or \$468 a year will cover the anticipated shortfall of \$83,125.

\$15.00 per week, or \$780 a year will support our ministries and allow PRCC to grow its outreach by over \$50,000.

\$20.00 per week, or \$1,020 a year will provide almost \$100,000 per year in opportunity for our church and church family.

We hope you will consider increasing your gift. Please let us know what you can give by completing the information on the back of this form.
